Big City Optical Opens New Office in Chicago?s Logan Square

October 15, 2024

October 15, 2024 - PRESSADVANTAGE -
Chicago, IL ? Big City Optical has announced the grand opening of its newest location in the vibrant Logan Square neighborhood of Chicago. The new office, located at 2485 N Milwaukee Avenue, is planned to be opened in mid-November. This new location will provide residents of the area with high-tech, precision-driven eye care services in a convenient and welcoming setting. With the opening of their latest location, Big City Optical reaffirms their commitment to providing patients with an exceptional eye care experience driven by caring staff that are backed by standout technology.

?Our mission has always been to make high-quality eye care accessible and convenient for all,? said Michael Kogelis, founder and CEO of Big City Optical. ?Opening our Logan Square location gives us the opportunity to extend our services to more Chicagoans, offering them the same personalized, neighborly care we?re known for. The location is so convenient and will reflect the local character like all our practices, so you feel right at home and welcomed as soon as you walk through the door.?

Big City Optical?s expansion into Logan Square aligns with its goal of making eye care more accessible throughout the Chicago area. With 19 locations across the city, Big City Optical is known for its commitment

to both innovative eye care and customer satisfaction, offering a welcoming environment where patients receive personalized attention from expert optometrists.

?At Big City Optical, we believe that great care begins with a connection to the community,? added Kogelis. ?Logan Square is a diverse, vibrant neighborhood, and we?re excited to build long-lasting relationships with its residents while continuing to provide top-tier eye care. Our entire team is thrilled to begin seeing patients, and making it possible for them to take in all Chicago has to offer with a new prescription and new look.?

The new Logan Square office will also feature an expansive eyewear collection, with brands like Ray-Ban, Oakley, and more, ensuring patients find frames that fit both their vision needs and personal style. Large selections of eyewear are a staple of the Big City Optical brand, ensuring that their diverse patient base can always find their perfect frames. From routine eye exams to advanced contact lens fittings, the new location will be equipped with cutting-edge technology to ensure every patient receives precise, high-quality care, including digital diagnostics that provide a higher rate of accuracy.

Big City Optical is currently accepting new patients at the Logan Square location as well as all other locations.

About Big City Optical

Big City Optical prides itself on offering a high-tech, high-accuracy, and high-precision experience that still has the neighborly feel of a local eye care practice. This unique combination ensures clients enjoy the comfort of an eye doctor who not only knows their name but also remembers the state of their eyes and vision. With a commitment to accessibility and convenience, Big City Optical has expanded its reach to 19 locations throughout Chicago to ensure that quality eye care is never out of reach. The staff at each store aims to make the process of choosing new eyewear an enjoyable one, ensuring that every customer?s experience is as pleasant as it is straightforward.
