

Cammile Q Is Launching a New Organic Aloe Vera Oil On Amazon

June 01, 2016

June 01, 2016 - PRESSADVANTAGE -

Cammile Q will be launching a new, high-quality Aloe Vera Oil on Amazon next week. The oil is launched as a part of a line of natural products for hair and skin, focusing of the pureness of the products to enhance the effect of the active substances.

"We are happy to announce the launch of a new product in our line of natural oils," said Sarah Davis. "The Aloe Vera oil will be an addition to the Argan oil, the Tamanu oil, the Apricot Kernel oil and the Castor oil we already offer."

About Aloe Vera

Aloe Vera is a plant of the genus Aloe, and its use can be traced back for thousands of years. Traditionally it has been used to heal wounds and burns, and for various other skin conditions. It is known for its ability to heal sunburns, and scientific studies have shown that if used topical aloe gel may help heal burns and abrasions.

The Aloe Vera Oil from Cammile Q is USDA organic certified. The oil is perfect for skin care, or as a massage

oil. It will be available for the US market and will be available for sale on Amazon next week.

Davis said: "We love to offer another oil that is well known for its skin care capabilities. Now we can provide a wide variety of oils that is perfect for skin care, and our customers love it. I am confident they will love our new Aloe Vera oil as well."

About Cammile Q

Cammile Q offers several skin care and hair care products in the US markets. The products are for sale both on Cammileq.com and Amazon.com.

Every product is carefully selected for its effectiveness for skin care and hair care, and the focus has always been on providing products that have a major effect on skin and hair.
