Tisha's Choices has announced their new line of summer holiday Parisian-style floppy sun hats with matching beach bags and hair accessories for women, teens, girls and toddlers.

The first of the holiday accessories being released are the Independence Day Collection. This patriotic collection is a suite of beautiful and expertly made hair clips in Red White & Blue gross grain ribbon celebrating America's 4th of July Independence Day. The eye-catching and festive collection has 16 clips in a variety of patterns to offer plenty of decorating options for every hair styling technique.

Spokesperson for Tisha's Choices, Jillian Gregg, states: "Americans love to celebrate Independence Day and local parades and get-togethers spring up in every town and neighborhood across the country. This year we wanted to contribute to the celebrating with new options for all the girls in the parades. Whether they are on foot, skateboarding, riding bicycles or showing off their horses, they will display our country's colors in their hair using any combination of this beautiful collection of red, white & blue ribbon-covered clips."

The 4th of July celebration is only one of the holidays that will be distinguished with designer hair accessories

this year, Gregg says. The lineup will take teens, girls or toddlers all the way through Christmas as the new products are released, she adds.

Customers can find this first collection on Amazon as well as tishaschoices.com.
