June 22, 2020 - PRESSADVANTAGE -

In the age of social distancing, Security Now USA assures a sufficient number of armed and unarmed security guards for various establishments in the United States.

The Best General Security Services in the USA says amid the pandemic, the demand for security guards at healthcare, grocery, and some hotel properties is increasing. With the challenges brought by the pandemic, these establishments require more attention to ensure safety and security protocol, they add.

Security guards are much needed to ensure crowd control in these areas. The guards also ensure social distancing rules. They also take the lead in ensuring that hygienic practices at these establishments are well implemented.

As a response to this health outbreak, Security Now USA continues to fulfill its role in society. They help in business continuity by providing client service and uninterrupted guard support services. "We assure to provide efficient safety and security practice during a challenging time," the company says.

In these challenging times, the Trusted Security Service in CA likewise guarantees that their personnel is still the best in the industry. All their guards have backgrounds in law enforcement or the military, and knowledgeable of the law. Security Now USA guards are also licensed by the Ohio Department of Public Safety Private Investigation Security Guard Section to provide armed or unarmed services.

"We firmly believe that the most valuable resource we offer is our team members," states Security Now USA.

The security company is headquartered in Sherman, California, and serves all locations in the US. Asked what separates them from their competition, the company says it is their professionalism and experience. "We are fully insured, privately owned, and maintain worker's compensation and unemployment policies," states Security Now USA.

Aside from hospitals, groceries, and hotels, Security Now USA also provides guards for banks, construction sites, and other commercial properties. They also offer specialized security services such as dispensary security, maritime security, general security, temporary security guards, and fire watch services. The security firm also provides expert advice on intelligence security.

The security giant also employs a mobile app exclusively for its clients that allows real-time reporting. With the app, guards on duty can easily report the real-time situation and provide immediate action to the clients. The app also allows clients to track patrolled areas conveniently. Security Now USA also has online booking services for hassle-free automated systems.
