Helix Healthstore Announces the Launch of Trans-Resveratrol with Moringa Oleifera

December 12, 2016

December 12, 2016 -
Orlando, FL - December 7 2016 - Helix Healthstore is excited to announce the addition of another product to their range of premium health supplements. Trans- Resveratrol - Super Youth Complex is a potent antioxidant supplement which will initially be exclusively available on Amazon.

Resveratrol is part of a group of compounds called polyphenols which act like antioxidants and are naturally found in grapes, peanuts, red wine and some berries.

Helix Healthstore has developed a high strength formula that contains 1300mg of polyphenols per serving in easy to swallow veggie capsules that are suitable for vegetarians and vegans. This unique formula contains Moringa Oleifera leaf powder, nature?s most nutritious superfood, bursting with vitamins, minerals, protein and amino acids, in addition to Trans-Resveratrol (Standardized to 50%), Vitamin C, Pomegranate Fruit Powder, Acai Fruit Extract, Grape Seed Extract, Green Tea Extract, which the company states is two supplements for the price of one.

Moringa Oleifera, a tree native to the Himalayas and also known as the ?drumstick tree? provides numerous

health benefits and has been used in Ayurvedic medicine for centuries. It contains over 90 nutrients, 46 natural antioxidants as well as anti-inflammatory compounds.

Trans-Resveratrol is the active ingredient and is more effective and easily absorbed than Resveratrol alone. It is known for it?s anti-aging properties and can help to prevent cell damage caused by free radicals to support longevity and promote cellular rejuvenation. Other potential benefits are a healthier immune system, reduced appetite, lower blood sugar, cardiovascular health and increased energy.
