

Toyota Place Recognized Among Leading Toyota Dealerships Serving Garden Grove and Orange County

November 25, 2026

GARDEN GROVE, CA - November 25, 2026 -
Toyota Place, a full-service Toyota dealership in Garden Grove, California, has been recognized as one of the most-recommended Toyota Dealerships in Garden Grove & the Orange County area, based on sustained customer satisfaction ratings and an expanded vehicle inventory now spanning more than 200 new Toyota vehicles across over 20 models.

The dealership currently holds a 4.2-star average rating drawn from nearly 3,000 verified Google reviews, reflecting consistent feedback from shoppers who cited the purchase process and knowledgeable staff. Toyota Place has also received the Toyota President's Award, an honor that acknowledges dealerships meeting high standards in customer satisfaction and operational performance.

Toyota Place serves a broad cross-section of Southern California communities, including Santa Ana, Anaheim, Orange, Tustin, Huntington Beach, Westminster, Fountain Valley, Stanton, Costa Mesa, Irvine, Los Angeles, Long Beach, and Carson. Its location near the SR-22 freeway places it within reach of residents

throughout Orange County and neighboring regions.

The current inventory includes popular models such as the Toyota RAV4, Tacoma, Camry, Corolla, and Grand Highlander, alongside an expanding lineup of hybrid and electric options including the Prius, the RAV4 Plug-in Hybrid, and the all-electric bZ. Each new Toyota arrives equipped with Toyota Safety Sense, a suite of driver-assist technologies. The dealership also maintains a diverse selection of used and Toyota Certified Used Vehicles, which undergo a multi-point inspection and include limited comprehensive and powertrain warranties along with a vehicle history report.

"Recognition of this kind reflects the daily work of a team committed to serving a diverse community," said Sam Chaalan, General Manager of Toyota Place. "Shoppers across Orange County want a straightforward process and a wide selection, and that remains the focus across the sales, service, and finance departments."

To accommodate the region's diverse population, the dealership provides multilingual support in several languages, including Spanish, Vietnamese, Korean, Chinese, and Tagalog. Staff assist customers with financing and leasing arrangements through Toyota Financial Services and additional California lenders, with options available for first-time buyers and those rebuilding credit. Shoppers can also obtain pre-qualification online without affecting their credit score.

Beyond sales, the on-site service center operates six days a week with factory-trained technicians handling routine maintenance, brake and tire service, hybrid battery diagnostics, recall work, and warranty repairs. New Toyota vehicles include ToyotaCare, which covers factory-scheduled maintenance for two years or 25,000 miles.

Toyota Place also participates in several incentive programs, including military and college rebate offerings, as well as a Garden Grove Vehicle Rebate Program that provides a rebate for qualifying local residents and businesses purchasing a new Toyota.

"The goal is to make the experience accessible regardless of language, budget, or vehicle preference," Chaalan added. "Customers throughout the area are encouraged to reach out to Toyota Place with questions about inventory, service, or financing."

Toyota Place is a full-service Toyota dealership located in Garden Grove, California, offering new Toyota inventory, used and certified pre-owned vehicles, a service and parts center, and financing and leasing solutions. The dealership serves customers across Orange County and the greater Southern California

region with multilingual support and a range of special programs for local residents and businesses.
