March 07, 2017 - PRESSADVANTAGE -

Best Seller Publishing in Pasadena, California, has recently announced the upcoming Million Dollar Author Summit. The company has stated that spots for the summit are filling up quickly and urges those who want to attend to reserve their spot quickly.

"Spots are filling up much more quickly than we imagined," says Rob Kosberg with Best Seller Publishing. "We have limited spots available, so contact us today to reserve your seat." Those interested in reserving a spot can do so at https://milliondollarauthorsummit.com/event.

The summit is a workshop that is held for two days. Kosberg says that during those two days, he works with potential authors and guides them on their way to success. Topics for the upcoming summit include how to hook clients, how to start a hybrid ghostwriting program, and how to launch books to best seller status. Those are all topics that the company states are vital for authors to learn if they plan to be successful in this business.

"Come join the Best Seller Publishing team as we show you how to become a bestselling author," says

Kosberg. "If you have a business that could use some help, we will show you how to become the hunted and the "go to" person in your industry."

Kosberg explains that during the summit, authors will learn how to use their books to set up automated marketing sequences to consistently bring in new leads and how to convert those leads into paying clients. Speaking engagements, online selling, and PR marketing will also be covered during the summit. These topics are what every author needs instruction in, according to Kosberg. He states that those who are interested can still register, but reiterates that those spots are not going to last long and since there is limited seating, spots will fill quickly. Kosberg states that seating is limited in order to give him more instruction time on a personal basis with those who attend.

Authors who are interested in registering for the upcoming summit or who would like to get more information on Kosberg and Best Seller Publishing can visit the company on their official website at http://bestsellerpublishing.org/.
