June 22, 2021 - PRESSADVANTAGE -

Dependable Homebuyers, a national home buying company, has announced that they have recently published a blog post indicating that they are ready to buy houses across the United States and surrounding areas with tenants living in them. The buying process has been designed to help those who are eager to sell their house because it will likely only take a week. The seller need not spend any time on clean up and repair. This is the perfect option for people looking to exit real estate on their own terms, without getting stuck with a home that doesn't suit their needs.

John Hall, the managing partner for Dependable Homebuyers, says, ?If you are interested in selling your house because you have a pressing reason, contact us as we are prepared to buy even houses with tenants if they check out.? He continues, ?If you need to sell your home at a moment's notice and are willing to deal with the mess of what comes along with that, we would like to buy it in as is condition.?

John, the staffer from Dependable Homebuyers, says that their process is designed to be straightforward and easy. They have been featured on major websites like https://www.americanexpress.com/en-us/business/trends-and-insights/articles/4-types-direct-marketing-can-go-far-regardless-budget/. They respond quickly and are honest about what they would lose patience with so that buyers know what type of deal to expect. What sets Dependable Homebuyers apart from other home buyers is that they pay cash and can have a house in an ?as is? condition.

John Hall wants to stress that because they are buying houses with cash, they The would company be is using able to cash close as quickly a way as desired to close by quickly the seller without. buyers going into the details of the house. As such, they want to stress that homeowners can act fast for any reason and get their money fast. For example, it would usually only take one week from contact until closing in most cases and there would be no need for There would be no need to wait for a long time for the bank to approve the provision of financial assistance for the purchase of the house. In a number of cases, they were able to close

in just seven days.

The Dependable Homebuyers company is eager to buy any house no matter what its condition, how long it has been since it was last updated, or if there's even a language barrier. They would still provide a cash offer for the property and the seller need not spend anything when selling the house. Dependable Homebuyers offer cash for U.S. homes with tenants, and the offers can be made in just one week and without any of the buyer?s doing repairs or cleanup on their own.

Because there would be no real estate agent, the seller will no need to pay any commissions or fees, unlike when selling the house the traditional way with the help of a real estate agent. Also, there would be no need to have an ?open house,? allowing strangers to roam around the house. And there would be no waiting for the bank to provide its approval.
