March 17, 2017 -
Freedom Travel Gear is celebrating the second year anniversary since the launch of their international online travel gear store. Two of their products, The Ultimate Travel Wallet and their six piece Secret Pouch Travel Packing Cubes, have proven to be particularly popular. Customers have hailed them for making traveling much more convenient, stress free, and enjoyable. All products are also detailed on the company's Facebook page at https://www.facebook.com/Best-Travel-Gear-Of-2017-1368463993169479/?fref=ts.

Stephanie Jones from Freedom Travel Gear says: "We're so excited to be celebrating two years in business. Our company has gone from strength to strength, and our unwavering commitment to providing people with high quality gear designed to make their lives easier has aided greatly towards us growing so rapidly. But most of all, we need to thank our customers for their continued trust and support. We couldn't have done it without them."

The company's best selling product by far is their set of packing cubes, available through https://www.freedomtravelgear.com/products/free-womens-secret-pouch-travel-packing-cubes?variant=32683819658. This six piece set has been designed to make it much easier to organize a suitcase for traveling. The set comes with three laundry pouches and three packing cubes. Stephanie adds: "These are made with 100% nylon material so instead of absorbing and retaining moisture like natural fibers, nylon pushes it to the surface, where it more readily evaporates making it inherently water-resistant."

The second most popular product is their ultimate travel wallet. This wallet has various compartments for things like wallets, passports, and credit cards, keeping them all safely in one place. The wallet is also fully water resistant, thus protecting the items contained within it from getting damaged by water. Stephanie adds: "This compact wallet is very portable and can be stored in your purse, backpack or anywhere you choose. You will know exactly where everything is and never worry about misplacing your personal belongings ever again." More information about the wallet can be seen at https://www.freedomtravelgear.com/products/free-shipping-offer-the-ultimate-travel-wallet.

To celebrate their two year anniversary, the company is now offering free worldwide shipping on all their items. They encourage people to view their website to take a look at the variety of products they offer, including the packing cubes and travel wallet.
