Zombie Cajun, a business operating from Spring Hill, TN has released a new hot sauce gourmet gift basket set on Amazon. It is the perfect gift for father's day, which is coming up very soon. The hot sauce is enough to make even the most seasoned chilli eater tear up a little bit.

"Men in particular like to show off and tell people that there is no such things as too hot", says Ricky Hooter from Zombie Cajun. "We want to give children the opportunity to put their father to the test of this claim on Father's Day thanks to our Zombie Cajun gift basket."

The gift box has been highly popular for some time now and it has even won a number of awards. One of these was the 3rd place at the World Hot Sauce Expo, as well as having been named a number 1 bestseller on Amazon. This demonstrates the quality of their gift basket, which is confirmed by the numerous positive reviews they have received on Amazon as well.

"I'm a big fan of hot sauces and zombies so when I saw this product, I thought it was just another gimmicky attempt to cash in on the masses. Boy, was I wrong", says Dave, a top 500 reviewer on Amazon. "Overall,

these are tasty hot sauces that will compliment any meal. I was surprised at how good they actually tasted. The box it comes In is also very nice and if you're a huge zombie fan, you'll love it. Great product, highly recommended."

The gift basket, which is really neatly presented, contains four 6 ounce bottles of Louisiana top seasoning sauces. They are Zombie Cajun Hot Sauce, Zombie Cajun The Antidote, Zombie Cajun Garlic Dual Protection and Zombie Cajun Lagniappe. Furthermore, it comes with a free zombies book as an extra gift. Zombie Cajun promises that at least one of these bottles will contain any buyer's new favorite sauce. Not all of them are scorching hot, however, because the company believes "it's not about the hot, it's about the flavor".

At the same time, however, the habanero sauce rates a 10 out of 10 in hotness. While it is also known as "the antidote", this is one hot sauce that turns the face red and makes the eyes tear. The Lagniappe is the weakest out of the box, ranking 3 our of 10 in hotness. Users are challenged to test the different sauces and find out which one they like best, all the while enjoying their new Zombie book. With the range of flavors that are available, ranging from hot to flaming hot, this is a perfect father's day gift for any dad who feels he likes it hot.
