

Ornate Home Adds Elements International Furniture to Holiday Season Brand Lineup

November 13, 2026

SANTA ANA, CA - November 13, 2026 -
Ornate Home, a furniture and mattress retailer based in Santa Ana, California, has added Elements International furniture to its brand lineup ahead of the 2026 holiday shopping season. More than 2,000 listings from the value-focused whole-home line are now available through the retailer?s online store, arriving as many households prepare to furnish rooms before Thanksgiving on Nov. 26.

The addition comes as the National Retail Federation forecasts strong seasonal spending. In a press release dated Oct. 15, 2026, the NRF projected that November and December retail sales will grow 4.2 percent over 2025 to reach $1.013 trillion. NRF President and CEO Matthew Shay said consumers will prioritize the holiday season even as they remain mindful of their budgets. The figure reflects core retail sales across categories, excluding automobile dealers, gasoline stations and restaurants, rather than furniture alone.

Elements International Group, a furniture importer and wholesaler based in Mesquite, Texas, focuses on the mid-market and value segments. Furniture Today, in an Oct. 31, 2025 article, described the company as a

value-driven brand that reported strong buyer interest at the fall 2025 High Point Market and noted the addition of a black finish to its Ridgemont bedroom collection. Ornate Home carries Ridgemont Black pieces among its selection.

The new listings span bedroom sets, beds, dressers and nightstands, along with dining sets, occasional tables, youth bunk beds and TV stands. Collections include Kings Court, Ridgemont and Rosalie, offering transitional and traditional designs alongside modern, Scandinavian and farmhouse styles. The line is available with delivery nationwide.

?Adding a broad, value-priced line that reaches across bedroom, dining and occasional furniture gives households one source when they furnish multiple rooms at once,? said Mehmet Uncuoglu, CEO of Ornate Home. ?The holiday months are when families take on those larger projects, and a line that balances design and accessible pricing fits the range customers look for in a single assortment.?

Uncuoglu added that the breadth of the collection shaped the decision. ?Shoppers comparing a bedroom set, a dining table and an occasional piece benefit from finding coordinated options under one brand,? Uncuoglu said. ?Elements International covers those categories with consistent quality, which made it a natural fit alongside the rest of the assortment.?

Bedroom furniture from the line includes storage beds, sleigh beds, platform beds, dressers, chests and nightstands, with construction features such as dovetail drawer joints, felt-lined drawers and ball-bearing glides. Living room selections include power reclining seating with pocket coil seats and USB ports, while dining options range across standard and counter-height sets, tables, chairs and servers. Youth offerings include bunk beds and loft beds with desks.

Founded in 2021 by Mehmet Uncuoglu and Ozzie Ozkan, Ornate Home is a furniture and mattress store based in Santa Ana, California. The company offers living room, bedroom, dining room and home office furniture through showrooms in Santa Ana and Charlotte, North Carolina, and online, with delivery available nationwide. Ornate Home ranked No. 689 on the 2026 Inc. 5000 list of the fastest-growing private companies in America and is a member of the Santa Ana Chamber of Commerce.
