Kozik said, "I am most excited about the potential eBarterExchange brings to the San Diego members for

both up and coming and long time business owners. Barter is an additional stream of profit while preserving cash at the same time.?

Warren commented, ?I am truly excited to be launching the eBarterExchange network because it helps all business owners leverage their goods and services and increase their buying power and reduce expenses at the same time. The barter industry has truly helped business owners particularly in down economies like we have experienced since 2008. Barter transactions have climbed over \$16 billion annually in the USA alone and there does not seem to be an end in sight.?

Troy Warren is writing a book on all facets of BARTER and TRADE entitled ?The Forgotten Currency - Barter For What You Want Without Using Cash? that reveals how to increase revenues and decrease expenses.
