LANCASTER, Calif. -- The chiropractic clinic of Dr. Wayne Hodges and Dr. David Howard in Lancaster, CA, AV Chiropractic Health Center, has recently moved to a new and better location. They are now located on 1650 W Avenue J in a larger and more inviting office.

The new office is fitted with state of the art tools and technology, and staff and patients alike will more welcome. As part of the move, a new office tour video has been uploaded to the clinic's website.

Dr. Hodges says: "We are very excited to make this move. The office is much more modern and convenient, enabling us to deliver more and better care to our patients. We encourage everyone to watch the office tour video on our website, or even to come and pay us a visit in person to see what we mean."

From the new office of AV Chiropractic Health Center, patients from both Lancaster, Palmdale and the surrrounding areas can now receive chiropractic care. They are one of the few clinics in the area that provide not just chiropractic care, but also massage therapy, decompression therapy, and brain based neurological therapy. All of these services are provided under one roof.

Dr. Hodges adds: "We do this to help you get the best results possible for your health condition. We believe in accepting only those patietns for treatment who we sincerely believe can be helped by us. We will only continue to treat you if we know that we are really making a difference."

The chiropractic clinic many types of chronic conditions with the latest techniques and technology. Examples are chronic neck, arm, shoulder, or back pain; insomnia; sciatica; restless leg syndrome; spinal stenosis; hand or foot pain; dizziness; migraines; numbness; reflex sympathetic dystrophy syndrome; fibromyalgia; carpal tunnel syndrome; dystonia; peripheral or diabetic neuropathy; and chronic fatigue syndrome.

The chiropractor believes in a holistic approach to care, which also includes lifestyle and nutrition changes. This unique approach has earned AV Chiropractic Health Center a solid positive reputation in the community. Through their new office location, they expect to be able to serve even more people.
