

Troy Warren Appoints Bill and Sue Painter as Barter Trade City Ambassadors for the Sarasota, FL eBarterExchange

August 25, 2016

August 25, 2016 - PRESSADVANTAGE -

Troy Warren, host of LetsTalkBusinessRadio.Com, announced today the launch of eBarterExchange.Com in Sarasota, FL. Warren has appointed Bill & Sue Painter as the Sarasota Trade City Ambassadors. Bill and Sue coordinate Trade and Networking Events for business owners in the greater Sarasota area.

Warren commented, "I am thrilled for the Sarasota members to work with Bill and Sue Painter because of their vast experience in the business world. Bill has expert negotiating skills while Sue is an Internationally known Online Marketing expert."

Bill & Sue Painter can be reached at (941) 363-1608 to learn more about the Sarasota eBarterExchange as well as arranging to speak about barter at business networking events.

Painter said, "I am excited to work with the Sarasota area members to increase their business through eBarterExchange. We've been involved in barter for over a decade and looking forward to showing the Sarasota members how to use barter for very little or no out of pocket cost."

eBarterExchange.com is launching in 81 major metropolitans and each has a Trade City Ambassador to facilitate trade and networking events in each city while the company supports the Members and Trade City Ambassadors from its offices in Chandler, AZ and Evanston, IL.

Warren commented, "I am truly excited to be launching the eBarterExchange network because it helps all business owners leverage their goods and services and increase their buying power and reduce expenses at the same time. The barter industry has truly helped business owners particularly in down economies like we have experienced since 2008. Barter transactions have climbed over \$16 billion annually in the USA alone and there does not seem to be an end in sight."

Troy Warren and Willie Crawford are co-authoring a book on all facets of BARTER and TRADE entitled "The Forgotten Currency - Barter For What You Want Without Using Cash" that reveals how to increase revenues and decrease expenses.
