Situated at an accessible location in Nicosia, the spa offers a variety of waxing services for both men and women. Women can have virtually any body part waxed at the spa, and several specialised services are available as well. The spa provides waxing for the arms (including underarms), legs, stomach and so on. Customers may choose between a full or half wax for the back and legs. NewMe Spa further provides a bikini line or Brazilian wax in accordance with the customer?s desires. Finally, a full body wax, consisting of arms, Brazilian, legs, underarms and eyebrow tweezing, may be requested as well.

Alternatively, customers may stop by for a face or upper lip wax, which take 15 minutes and 10 minutes, respectively. Most of the other waxing services take around 15 minutes each per customer, with the exception of the full body wax, which takes approximately 75 minutes. Similarly, customers may expect to stay at the spa for at least 40 minutes for a full leg wax. Notably, however long a session takes, customers can expect to feel as little pain as possible. experience for women here: Waxing For Women Nicosia.

Men will find that most of these services are available for them as well, though the spa clarifies that male waxing sessions will often take a little longer to complete. For instance, a male customer can have his chest and stomach waxed together, which takes 30 minutes. The full back wax and leg wax also take around 30 minutes. An arm wax takes 13 minutes, but a male customer should expect to stay at the clinic for at least 90 minutes if they require a full body wax (arms, legs, chest and underarms).

?Regardless of your needs, body type or hair type,? the spa states, ?our team will make every effort to ensure a pleasant experience. Those who have never had a wax are invited to schedule an appointment with us since our team is accustomed to guiding customers through their first session. Male or female, we know what you need, and you will find us walking you through every step of the process.? Learn how the spa takes male requirements into account here: Waxing For Men Nicosia.
