Albany, N.Y. - Awards By Walsh, a leading provider of embroidery in Albany, NY, was proud to have created patches and coins for the 9/11 Memorial Ride, held on September 11.

Each year, the 9/11 Memorial Ride pays tribute to the first responders who led recovery efforts during and following the terrorist attacks on September 11, 2001. Governor Andrew M. Cuomo joined more than 400 motorcycle riders who participated in the ride to New York City. Awards By Walsh was asked to design patches and coins for the event, a task that the awards company was more than proud to take on.

As a top manufacturer of medals in Albany, NY, it?s crucial for the Awards By Walsh team to stay involved with community events. Being able to design patches and coins for the remembrance of one of America?s most historic events was truly a special occurrence.

Awards By Walsh President Steve Pesta said, ?It makes me proud to be a part of such an important and meaningful event.?
