

Everest Auto Repair Announces Convenient Pick-up and Drop-off Service

May 19, 2014

May 19, 2014 - PRESSADVANTAGE -

Newark, DE ? Everest Auto Repair, a locally owned Newark auto repair shop, announced the addition of customer pick-up and drop-off services to the list of comprehensive vehicle repair services they currently offer. This convenient option will help customers fit the repair or maintenance of their vehicle into their busy schedules, when it is most convenient for them.

Everest Auto Repair provides ASE-certified technicians, servicing foreign and domestic vehicles in northern Delaware and parts of Maryland. They provide recommended factory-scheduled maintenance items and can properly diagnose current or potential problems. In addition, Everest Auto Repair helps keep all warranties intact with detailed records of each service performed and can alert customers of safety issues that need to be fixed free under the manufacturer's warranty.

Customers can call for an appointment, at their convenience, and a technician will come and pick up their vehicle. Everest Auto Repair offers a wide array of services for cars of all makes and models, including those for engines, brakes and suspension systems, heating and air conditioning, radiators, exhaust, fuel system delivery, tires and electrical. Also, oil changes, tune-ups, alignments, muffler and ?check engine light? troubleshooting are offered. To meet state inspections, Everest Auto Repair can provide the necessary fixes. Once the job is complete, they deliver the customer's vehicle back to its own garage.

Everest Auto Repair also offers a ?virtual? garage, which allows customers to access all records of their vehicle through the ?My Garage? tab on the Everest website. ?My Garage? also provides money saving discounts and special offers as well as automatic alerts for routine services and recall notices.

Everest Auto Repair guarantees all its work for two years or 20,000 miles.

To receive a 10% off coupon, good on all services up to \$50, customers are encouraged to visit <http://everestautorepair.com/coupon/>.

About Everest Auto Repair

Customers from all over the state of Delaware come to this Newark auto repair shop because of its reputation for providing honest and dependable work. The team of ASC-certified technicians knows that for many people the workings of their vehicle are complicated and hard to understand, so they take great care in explaining every aspect of the job in easy to understand terms. They are able to properly diagnose and make the right auto repairs without a lot of unnecessary add-ons. Providing pick-up and drop-off services are just another way Everest Auto Repair puts the customer first.
