Milton, Fla.? Recently, Terrence Gross of Gross & Schuster, a leading attorney in Milton, FL, joined the WCOA Radio Show to discuss the parameters of the statute of limitations.

A statute of limitation is a law set in place that prevents prosecutors from pursuing a case for a crime that was committed over a certain number of years ago. In doing so, the law ensures that convictions happen only due to evidence that has not decreased or vanished over time. Terrence Gross believes in the vitality of understanding this law, especially when contemplating taking an individual to court.

Terrence Gross said, ?I always like to discuss the important factors that affect normal citizens in their legal battles. Understanding the statute of limitations is crucial for anyone filing a lawsuit.?

To remain a top performing lawyer in Milton, FL, Terrence Gross must stay up to date on laws and regulations enforced in the city. Focusing in on educating himself allows him to further educate the public, a duty that Gross has been infatuated with for years.

?Be sure to tune in to my future segments on the WCOA Radio Show as I plan to reveal even more pertinent information for concerned listeners,? Gross said.
