October 04, 2016 - PRESSADVANTAGE -

In response to recent research providing evidence that melatonin and valerian root may have sleep aid benefits, UtaLife supplements has announced the launch of their Perfect PM sleep aid supplement on Amazon.com. "Do your research," encourages Jen Henze, spokeswoman of UtaLife. "We want you to be well informed. But at the end of the day, no other supplement has amounts of quality ingredients that can compare to your Perfect PM."

Designed with intent to improve sleep while enhancing morning energy, the Perfect PM sleep aid contains many premium ingredients that may improve sleep and morning energy. The sleep aid pill includes 3mg of premium melatonin plus valerian root as well as a blend of calcium, vitamin B6, magnesium, and herbs. All of these ingredients are intended to and may improve rest in a safe way while enhancing the mood and energy of the user in the morning.

"This product launch is absolutely huge for us," continued Henze. "UtaLife has always wanted to improve

the sleep of our customers, and now we hope to finally do that [?] we've even included our sleep track bonus for a limited time.? Henze touched on the free Ultalife Perfect PM gift, Maxximind audio, which is intended to soothe and calm the body and mind according to their website.

Ultalife produces their Perfect PM sleep aid pill supplement in a United States based and GMP (Good Manufacturing Practices) facility. Henze prompted, "When you buy from Ultalife, you're also doing a great justice by giving back to the economy and helping a business in the USA." Ultalife also offers a 100% Money Back Guarantee on their products, promising that all customers will be fully satisfied with the results of their Perfect PM sleep aid.

As a gesture of thanks to their first clients, Ultalife is offering their \$49 retail bonus 100% free for a limited time when they purchase their sleep aid from <https://www.amazon.com/Ultalife-Natural-Sleep-Melatonin-Valerian/dp/B016P34FBA>
