Rag Mops Marks Annual Turkey Trot With Participation and Sponsorship

November 18, 2026

Lewisville, Texas - November 18, 2026 -
Rag Mops co-founder and owner Debi Bascue is continuing her annual participation in and sponsorship of the Double Oak Turkey Trot this November. The community event brings together local residents, families, and businesses ahead of the holiday season, creating an opportunity for neighbors to connect while supporting a shared community tradition. For Bascue, taking part in the Turkey Trot has become a regular way to celebrate the area where she lives and operates her business.

Rag Mops has supported the Turkey Trot and other local activities for many years as part of its ongoing commitment to the communities it serves. Founded in 2001 by Lynne DeKreek and her daughter, Debi Bascue, the woman-owned residential cleaning company is based in the Lewisville area and serves households throughout Lewisville, Flower Mound, Double Oak, Highland Village, Lantana, and surrounding Denton County communities.

?The Double Oak Turkey Trot is such a fun tradition that brings the community together every year. I always enjoy seeing neighbors, families, and local businesses come out to support one another,? said Debi Bascue, co-founder and owner of Rag Mops.

Community involvement extends beyond the annual Turkey Trot. Rag Mops sponsors local sports teams, including the Wellington Sharks, and supports high school sports programs and clubs, elementary school fundraisers, Heritage Park, and Kids Kastle. These contributions reflect the company's continued interest in supporting the organizations, activities, and gathering places that bring local residents together.

One of its longest-running charitable partnerships is with Cleaning for a Reason, an organization that provides free residential cleaning to individuals undergoing cancer treatment. Rag Mops has participated in the program since 2008, helping more than 100 patients in the North Texas area through donated cleaning services. By providing assistance with household cleaning during treatment, the company helps ease one of the everyday responsibilities that can become more difficult for patients and their families during a challenging period.

?Community events like the Turkey Trot remind us how fortunate we are to live and work in such a supportive area. It?s a great way to give back while celebrating the holiday season together,? added Bascue.

Bascue's connection to the community is also personal. She has lived in the area and raised her five sons there, making local relationships an important part of both her family life and business. Since its founding, Rag Mops has grown by focusing on personalized residential cleaning and building lasting relationships with neighboring households. The company also emphasizes reliability and attention to individual household preferences, allowing clients to communicate their priorities when establishing a cleaning plan.

Rag Mops offers recurring residential cleaning on weekly, bi-weekly, and monthly schedules, along with custom cleaning, deep cleaning, and move-in and move-out services. Its cleaning professionals are background-checked and insured, and the company allows clients to request a return visit within 48 hours if a cleaning does not meet expectations. The team will re-clean the home at no additional charge. Flexible scheduling and consideration for unexpected circumstances, including illness and emergencies, are also part of the company's approach to customer service.

Through its annual Turkey Trot participation, local sponsorships, and charitable partnerships, Rag Mops continues to make community involvement part of its business identity. The company's support for local events and organizations reflects the relationships it has developed throughout Denton County over more than two decades of serving area households.

Rag Mops Cleaning Service is a woman-owned residential cleaning company founded in 2001 by Lynne DeKreek and Debi Bascue. Based in the Lewisville area, the company serves Lewisville, Flower Mound, Double Oak, Highland Village, Lantana, and surrounding Denton County communities. Services include recurring, custom, deep, and move-in and move-out cleaning, with an emphasis on personalized service,

reliable scheduling, and long-term customer relationships.
