GAMBRILLS, MD - November 18, 2026 -

Leo?s Vacation Center concluded its Freedom Drive Sale for Veterans on November 14, 2026. The limited-time event provided specific purchase incentives for military veterans and active-duty service members at the family-owned recreational vehicle dealership in Gambrills, Maryland. The sale coincided with the approach of the United States? 250th anniversary in 2026.

The Freedom Drive Sale featured the Hero Purchase Discount of $500 on trailers and $1,000 on motorhomes. Qualifying purchases also included free first-year winterization, a free first-year maintenance checkup, and a $200 gift card. These incentives applied to new and used units across the dealership?s inventory of travel trailers, fifth wheels, Class A, B, and C motorhomes, and other recreational vehicles. The offers were available through the close of business on November 14.

Greg Merkel, Owner of Leo?s Vacation Center, stated, ?The Freedom Drive Sale offered veterans a structured set of purchase adjustments and first-year service support on recreational vehicles. The incentives were designed to reduce certain upfront costs and address common ownership needs in the initial period after delivery.?

Merkel added, ?As a family-owned business operating in Maryland since 1972, the dealership has maintained ongoing relationships with customers from the surrounding region. The sale provided one avenue for recognizing the service of veterans during the year leading into the nation?s 250th anniversary.?
