New York, New York - Many women come to see Dr. Kaufman of Discreet Plastic Surgery for a mommy makeover after giving birth. He understands that there are a lot of decisions to be made when planning a mommy makeover and has dedicated his most recent blog post to helping his patients through the process.

The cosmetic surgeon explains that choosing mommy makeovers can include any combination of a tummy tuck, liposuction, and breast enhancement procedures like breast lifts, breast implants, and breast reduction. There is a lot to consider, but a visit with one?s plastic surgeon for a consultation can make it a lot easier to identify what problem areas one really wants to address. His blog offers questions to ask a surgeon and advice for choosing realistic goals.

Dr. Kaufman?s blog is meant to educate his readers and prospective patients about cosmetic surgery. This includes offering valuable advice to patients as they heal after a procedure. Knowing how to recover helps the patient get everything in order before they visit the doctor so their home will be ready for them when they return.
