July 05, 2018 -
Milton, Fla. - Gross & Schuster, a Milton traffic accident lawyer, just finished all the necessary requirements to open up their new office in the Navarre area. They are ready to help serve those in need in Navarre. With this firm's four other locations, the Navarre office will continue to pursue their excellence in cases involving car accidents and personal injuries.

The Navarre office offers multiple services. Most of the clients that they represent are victims of vehicle accidents whether it be from someone texting and driving or driving under the influence. Other services include individuals involved in fatalities or injuries, premise liabilities, and dog bites and animal attacks. The lawyers are skilled in Maritime and Admiralty law which helps individuals involved in an accident or injured on the water. Their attorneys are personable and communicate with the clients to let them know what is happening all along the way.

"Our firm?s attorneys combine a passion for protecting your rights with an unwavering commitment to client service. For that reason, you will understand the status of your case, how the law applies to your circumstances and the legal options open to you. You are our focus," says attorney Terrence Gross.

This office will have the full set of experience as the other offices. Milton attorneys execute more than 30 years of experience with board-certification on civil trial law by the Florida Bar. Only a small percentage of attorneys ever accomplish this certification.

According to the Florida Bar, "Board certification recognizes attorneys? special knowledge, skills, and proficiency in various areas of law and professionalism and ethics in practice."

These Milton lawyers are equipped and ready to help the citizens of Navarre. If legal guidance is needed, call them at (850) 434-3333 or visit their website at grossandschuster.com.
