

GrowUpSmart Announces Cheap Backgammon Set For Black Friday

November 23, 2016

November 23, 2016 - PRESSADVANTAGE -

GrowUpSmart, the educational toys and games company, has announced that their popular Smart Tactics Backgammon set will be offered at a reduced price this coming Black Friday. The price will be announced soon and people are encouraged to regularly check the website at <http://growupsmart.com/promotions/> for updates.

Martin Reinhold from GrowUpSmart says: "We believe everybody should have the opportunity to grow up smart by playing fun but educational games. This is why, this Black Friday, we will have a very interesting deal on our backgammon set. Do watch this space for more information."

The backgammon set is one of their best selling items. It is a wooden board that is coated with a well-stitched supple PU leather exterior, doubling as a smart case with press buttons and a handle. The interior has been made from felt. Additionally, it comes with convenient storage trays and folds, so that the pieces, cups, and dice can be stored safely.

Backgammon is one of the world's oldest games, dating back some 3,000 years ago. It is a simple game that

requires extensive tactical thinking and is enjoyable for both beginner and experienced players. The game set is complete, containing the board, the doubling cube, the dice cups, and the pieces.

"Our backgammon board is perfect for beginners and masters alike," adds Martin Reinhold. "We have also included a learners' instruction manual, and they can also access an online video course to understand the basics of the game."

GrowUpSmart guarantees the safety and quality of the game. They want to encourage people to introduce this timeless game to their children, allowing them to safely play with toys that will teach them important skills. It is fully tested to USA Toy Safety Standards and also comes with a 60 day money back guarantee.

The durable, popular board has long been one of the company's most popular products. As a result, various people are already keeping their eye on the website in the hopes of being able to get a great bargain on Black Friday. People are encouraged to keep checking back.
