Office Furniture Movers Auckland Fleet Grows With New Truck

November 26, 2018

November 26, 2018 -
Office Movers Auckland has announced that they have just added a new truck this week in order to better serve the office moving and commercial premises relocation needs across the Auckland region. This has increased the company?s ability to better serve the area and locally based companies looking to relocate.

Mike Chambers from Office Movers Auckland says, "We are proud to launch our new 5-ton truck which is capable of moving larger companies than we have in the past. We can now move small to medium sized businesses from old premises to new ones. Prices start at $95 per hr for a 2 ton truck with 2 men and go up to $165 per hour for 2 men and a 5-ton truck. Locations we serve includes the whole Auckland region from Pukekohe in the south and north to Orewa."

Mike points out that they still specialize in moving large items like spa pool transport across Auckland but have grown the company to handle larger moving operations. He also added, ?The new truck and team have allowed us to grow into markets that are usually only available to the big moving companies.?

While Office Movers Auckland?s new truck has been launched, the new staff are currently being trained in

moving both commercial and private items and combine that with the best equipment for moving and transporting office furniture and larger items with safely and precision, allowing customers to focus on keeping their businesses running while they move to a new destination.

Furthermore, the team members from Office Movers Auckland understands that businesses would prefer to relocate outside of normal business hours to keep the business operational so they are ready to provide their service at any time of the day to accommodate this as much as possible. This allows the entire process to be custom made to suit their client's needs.
