Hop A Lot Moonwalks Launches New Phone Number for Greater Austin Party Rentals

November 24, 2026

Round Rock, Texas - November 24, 2026 -
Hop A Lot Moonwalks, a locally owned and operated party rental company, has a new phone number. Families, schools, and event planners can now reach the company at 512-467-3277 to book rentals, check availability, and ask questions.

The new number appears in the header and footer of the company's website at hopalotmoonwalks.com. Customers can use it to check whether a rental is available for their date, request a quote, book an order, change a reservation, or ask about delivery and setup.

Hop A Lot Moonwalks says it has years of experience and thousands of customers across the Austin area. The company rents bounce houses, combo bouncers, water slides, sports-themed moonwalks, backyard games, and tents, tables, and chairs. Customers book the company for birthday parties, family reunions, graduations, school field days, college events, corporate events, and community festivals.

Its lineup includes themed units such as the Texas Longhorn Combo, the Old Glory Bounce House Combo, and a sports arena moonwalk. Its smallest bounce house measures 14 by 14 feet, and its Mini Unicorn Combo measures 15 by 17 feet and fits up to eight children. Because the company also rents tents, tables and chairs and backyard games, customers planning a school field day, a family reunion or a community festival can arrange the inflatables and the seating with one call to the same team.

The company builds safety into its equipment and its setup process. Its inflatables are inspected to meet safety standards and are made with net windows and lead-free, fire-resistant vinyl. Every rental price includes setup and takedown, so customers do not have to handle the equipment themselves. Crews may arrive anywhere from one to three hours before an event to set up, and each unit needs an electrical outlet within 50 feet or a generator. Events in parks require a generator, and the setup area needs at least four feet of access for the crew to bring the unit in.

Hop A Lot Moonwalks also has a straightforward weather policy. When an event is cancelled, the customer's deposit becomes a rain check that can be used within one year of the original event date. The company accepts cash, credit cards, and business, school, or church checks. Answers on setup, weather, and payment are also posted on the FAQ page of the company's website.

Hop A Lot Moonwalks is based at 1101 S Industrial Blvd in Round Rock. The company delivers across Austin, Cedar Park, Georgetown, Leander, and Round Rock and says it can deliver farther out on request. That reach makes the new number the single point of contact for customers throughout the northern Austin suburbs and beyond.

"Our customers plan parties around busy schedules, so we want reaching us to be simple," said William Gann, owner of Hop A Lot Moonwalks. "One call to the new number gets you our team, your date, and your rentals."

Schools, churches, colleges, and businesses planning larger events can use the same number to ask about combining inflatables, water slides, games, tents, tables, and chairs in a single order, with delivery, setup, and takedown handled by the Hop A Lot Moonwalks crew.

Customers who have an older number saved are encouraged to update their contacts to 512-467-3277 before planning their next birthday party, school field day, family reunion, or community event, so their calls go straight to the Hop A Lot Moonwalks team.

Hop A Lot Moonwalks is a locally owned and operated party rental company based in Round Rock, Texas.

The company delivers bounce houses, combo bouncers, water slides, backyard games, and tents, tables, and chairs across the Greater Austin area, with setup and takedown included in every rental. Learn more at hopalotmoonwalks.com or call 512-467-3277.
