Cosmetic Dental Solutions Provider Launches New Website

December 26, 2018

December 26, 2018 -
Aurum Dentral Centar gives patients access to information on dental care and cosmetic solutions through their online site, which has recently been revamped to better serve their clients.

Banja Luka, Bosnia and Herzegovina, December 10, 2018. Aurum Dental Centar, the provider of beautiful smiles in Banja Luka, Bosnia and Herzegovina, is proud to launch their new website, https://aurumdentalcentar.com/. Informative and descriptive, their new site offers patients information of their dental care services, what they need to know about dental care, and cosmetic dental solutions. It also features a vivid photo gallery of the smiles and teeth they have helped.

Aurum Dental Centar offers affordable cosmetic dentistry, including veneers for teeth, dental crowns, dental bridges, white fillings, teeth bonding, dental implants and root canal therapy. They are experienced in conservative dentistry for worn teeth and dental erosion to help bring back their patients beautiful smiles. They provide cosmetic dental solutions for the protection and preservation of the patient?s teeth. They can have their dental problems, such as worn teeth, gaps, missing teeth, etc., properly fixed.

With Aurum Dental Centar's cosmetic dentistry philosophy and techniques, patients can wear their youthful smiles again.

The Aurum Dental Center team's present and future efforts will focus on the strengthening of their services presentation on the site. Articles, dental surgery videos and special case studies as well as important dentistry information will also be featured and updated on a regular basis.

For more information about Company and their products and services, visit their website at https://aurumdentalcentar.com.

About the Company
Aurum Dental Centar was established in April 2018 by Nevena Bartel. The clinic has a special expertise in dental implants, cosmetic dentistry and orthodontics. The practice was located at Banja Luka, near the park, to take advantage of the relaxed nature of the area as well as ample, untimed parking for patients. Minimum number of visits, comprehensive beautiful dental care is what they strive for at Aurum Dental Centar.

For further information please visit them on Google Maps.
