

Plumber in Indianapolis IN Expands Geographical Service Area

January 03, 2019

January 03, 2019 -
Midwest Plumbing Indianapolis, based in Indianapolis, IN provides residential and commercial plumbing services for homeowners, property managers, general contractors and business managers. They are now proud to announce that their service area has been expanded, covering a 50 mile area around Indianapolis and South.

The Owner at Midwest Plumbing says: "If you have a clogged drain, a leaky faucet, no hot water, or any other plumbing problem, we are here to help. We handle everyday plumbing issues and we repair and install boilers and water heaters. Furthermore, we can assist you with the installation of gas appliances. We're happy to announce that our first six months in business has gone very well, and we're now in a position to expand our service area."

The company specializes in offering plumbing solutions for new home constructions, new additions, and bathroom and kitchen remodels, including boiler installation and repair. Since first launching, they have engaged in a variety of such projects, always to the full satisfaction of their clients. Indeed, they have built a solid reputation on providing quality services at an affordable price. Anyone requiring gas appliance

installation or help with any other plumbing issue are encouraged to contact Midwest Plumbing Indianapolis. The company also offers regular servicing contracts for those who want to ensure that their appliances are always at peak performance.

About Midwest Plumbing Indianapolis:
