December 01, 2016

December 01, 2016 - PRESSADVANTAGE -

San Diego, California, December 2nd, 2016 - In Oct. 2016 the licensed business Tidom, Inc. approved the private label business known as 8 Figure Dream Lifestyle. It was launched by 3 of the top Tidom, Inc. earners, and has grown substantially in a short time. 8 Figure Dream just announced the nomination and approval of Jay Bezanson, current member, to their Leadership Alliance. 8 Figure Dream Lifestyle Leaders must possess the following three characteristics: they must be qualified VIP members, they must have achieved real, substantial results, and they must want to contribute to the success of the entire community.

Bezanson started his Tidom subsidiary business in October of 2016, and used financing to come in at the \$22k level. His first campaign launched on October 24th, and he has made three sales already - for a total of \$41.5k. Additionally, there are more sales currently pending in financing. Members can now utilize Bezanson as resource. One of the 8 Figure Dream Lifestyle founders, Alex Dee says that "he's been all over the chat group addressing questions, and now he'll be part of the 3 way calling/screen share closing system so you can utilize him - after your sponsor - for 3 way (sales calls)!"

Tidom Inc. and 8 Figure Dream Lifestyle are both franchise-like, internet-based "business in a box" models.

Members access digital resources for their own personal development, include training modules on lead generation, sales, personal growth, motivation, meditation, and internet marketing. The ability to generate executive level income is achieved by selling one of 5 available packages; multiple product packages allow members to purchase the one that best suits their needs.
