Need Money Now Delivers Fast Online Services For Its Customers

February 12, 2019

February 12, 2019 -
Riccarton, Christchurch, NZ based NeedMoneyNow is pleased to announce they have launched a new website which includes a faster online application for those looking for quick financial assistance. The new website has been designed from the ground up to make sure it looks and feels the same across all platforms and makes the Need Money Now easy to use from any desktop, laptop, tablet or smartphone.

Need Money Now provides a wide range of financial aid services, which are readily available on their new website. These include Quick Assistance, Easy Financial Help, Same Day Help, and No Credit Check Help. To check the General Terms and Conditions for applicants, visitors only review the documentation provided on the website, which includes the legal format alongside the definitions of all the terms used. This can help those seeking aid to understand how the process works.

The Need Money Now website also makes it easy to understand the simple three step process for requesting monetary support?how to apply, how approval is gained, and finally how the funds are received and repaid. It provides all the details visitors need to know about the criteria they need to meet in order to apply and qualify for the financial assistance which can be provided. Helpfully, it also features an online calculator that can help

anyone seeking financial assistance to understand their obligations, enabling them to select both the most appropriate amounts to request and a repayment period that suits the applicants themselves.

The Need Money Now website is designed to cut down on processing times. This means that, following approval, funds can be transferred within 60 minutes. ?We are proud to provide transparency for all our financial aid programs,? said a company spokesperson.

Need Money Now can be found on Facebook at https://www.facebook.com/needmoneynownz/, which anyone can access to learn more about their support programs and read reviews from previous happy clients. It is an excellent resource for those who want to do some research before applying or making contact directly with the company.

Need Money Now understands that sometimes, through no fault of their own, many people may need a quick way to boost their available funds to deal with an unexpected emergency, or capitalise on an opportunity which may never come again. It may be the case that reaching out to friends and family for aid during these events is not an attractive option, for a variety of reasons. Furthermore, many aid seekers have found that banks often take too long to process paperwork to be effective, causing further delays and worry.

Need Money Now is a New Zealand Registered Financial Services provider (FSP496466). They have built their reputation on the solid foundation of being a committed, responsible company. ?We are grateful to our customers who consider us to be their most trusted financial assistance provider in New Zealand,? said a company representative.

Brian A. gave Need Money Now this positive review: ?I can?t believe how quickly they processed my application, and how quickly I had the money in my hand. It really helped me out.?

In June 2018, it was reported that 12% of New Zealand households report not having the money they need to meet every day needs, according to government findings in a review of the Credit Contracts and Consumer Finance Act. Need Money now is there to help those who have been hit with an unexpected bill for cars, medical expenses, or any other unforeseen costs or who have credit issues which make it difficult for them to obtain financial assistance elsewhere.

Need Money Now is easy to find using Google maps, at https://goo.gl/maps/mBqVoXo9Lz62. Their standard office hours are Monday to Friday, 8:30am to 4:30pm. Customer Support is also available by phone Monday-Friday from 8:30am to 4:30pm.

More information regarding the services provided by Need Money Now can be found on their website, which also includes a contact form through which applicants may make inquiries. Customers are also advised that

they are able to send a message and submit online applications via the website at any time.
