Salt Lake City, Utah ? Live performance music entertainment service Best Utah Bands featured renowned Crescent Super Band performing at a Mardi Gras themed event to celebrate the Utah Jazz New Orleans Heritage and 40 seasons in Utah, which was held at the Vivint Smart Home Arena in Salt Lake City, Utah on March 1, 2019, and recently received high praise from an Utah Jazz representative.

Elizabeth Smith, the Premium Seating Service Manager at Utah Jazz said, ?It was so wonderful, thank you! I can?t say enough good things about working with the band and Mr. Chapman, and the level of quality they provided on performance. Every one of our guests were blown away with the talent and entertainment value.

The brass band which Mr. Chapman brought for outdoors was a great feature and successful addition. We really appreciate your partnership and professionalism. We can?t wait to have the band back with us ? please let me know if there is anything the Utah Jazz can do for you!?

Caleb Chapman?s band has performed around the world to amazed crowds, received countless awards, and consistently been named one of the best big bands in the world by DownBeat Magazine. They packed New York?s famed Carnegie Hall and are now ready to bring their high-octane entertainment to special events around the globe.
