

Mezetin Offers Network Marketing Health Wellness Qivana Skinshift Tickets

June 04, 2015

June 04, 2015 - PRESSADVANTAGE -

The Mind Investor, a business ran by Quentin Mezetin from Queens, NY, is helping to promote the Catch The Wave event, hosted by Geralyn Di Presso Sagar. The event is said to be the ticket to financial freedom. To express just how much he believes in this program, Mezetin is giving people a special offer for signing up.

"I'm so excited that for the first 10 people I will comp their ticket by \$50", says Quentin Mezetin from The Mind Investor. "And because I know and believe in Qivana that much more I will also give the first 50 people that confirm their attendance with me a \$50 cash gift card. Now that is an offer they can't refuse!"

The Catch the Wave Event, hosted by Geralyn Di Presso Sagar, will be held on Saturday, June 13, 2015 between 9.00am and 5.00pm (EMT) at Uniondale NY, you wont want to miss it . This event will feature an amazing lineup designed to help people learn more about the business potential offered by Qivana. The event will be attended by people who are looking at expending their own business and wealth, but also by existing entrepreneurs, business owners and investors. The event is guaranteed to change people's lives.

"Qivana changed my family's life within a year of joining them", adds Quentin Mezetin. "Now, it's time for

others to experience the same thing. I encourage you to try it for yourself and see just how you can redefine wellness as well. You won't want to miss it! This is an opportunity for everyday people to catch the wave and ride the wave of abundance."

The Catch the Wave event is designed to teach people the economics of having the life they have always dreamed about. It is set to be an exciting day where people will be able to hear from people such as MJ Durkin and Dr. Donald K. Layman, who are both respected authorities in the industry. They, and others, will deliver speeches and training designed to truly transform peoples lives.

Qivana, meanwhile, is an organization that shows people that they can take the dullness out of their own lives, so long as they are committed to working for it. The company has been able to truly redefine wellness, turning health and natural products into a successful business model that targets physical, mental, and financial health and well being. Those who follow the program have been able to improve their physical health by using natural, science-backed products. Furthermore, the business model has allowed them to build up significant wealth through hard work. These two put together have allowed them to achieve great mental well being as well. Qivana skinshift is just one of the products that achieves this.

Mezetin has made himself available through various social networking mediums, including Facebook, where they can contact him to receive the number confirmation of their prize. Alternatively, they can email, telephone or text. This is a great opportunity to learn more about how to transform lives and achieve true wealth.
