Hilton Head, SC - Beauty company Lashes n' More introduces its new way of caring for the lashes??Lash Lift.

The leading personal care company is getting more consumers because of its comprehensive range of services, including lash lifts. The lash lift procedure utilizes a specially developed silicone pad and perm solution to lift the natural lashes from the roots.

Brow and lash expert Irina Rudman says lift can be for those with long and short lashes. So everyone is a perfect candidate for an eyelash lift. Rudman says the lash lift procedure typically takes 45 minutes to one hour to finish, and its results typically last 6 to 8 weeks.
