JackpotCandles.com Introduces Jewelry Candles And Ring Candles

July 22, 2015

July 22, 2015 -
JackpotCandles.com, a jewelry candle company based in Amherst, New York, has just introduced the jewelry candle, a 100% soy, hand poured wax candle made in the USA. Each candle has jewelry hidden inside, waiting to be revealed as the scented candle is enjoyed and melts away.

Jewelry candles are the latest trend to hit aromatherapy enthusiasts. The candlemakers have successfully built their brand on creating wonderful-smelling wax candles that reveal jewelry (worth $15 to $5,000) once the candles have burned down. The scents of JackpotCandles.com's jewelry candles vary from exciting to flowery scents. They include fragrances such as sweet pea, lilac, Georgia peach, ocean breeze, cucumber melon, cinnamon sensation, banana nut bread, pina colada, and blueberry muffin, among many others.

Customers can choose between receiving earrings, rings (select-a-size), or necklaces in their candles. In turn, customers can check their website to appraise the jewelry after the candle has been used.

Maria, a customer service executive, is optimistic about the product. "We at Jackpot Candles have created a product capable of creating memories and a wonderful ambiance for homes. Our candles are not only

unique, but memorable as well. It's a light filled with a surprise, and surprises are always nice," Maria mentioned.

The number of appraisals on the company's website is getting higher everyday, as people begin to discover jewelry candles. "The jewelry candle is an exciting product. Most people are delighted to find out that the ring which came with their Banana Nut Bread candle is worth $500," Maria narrated. "Naturally, people will have questions as to how it works as a whole, so we're inviting them to visit Jackpot Candles, or follow Jackpot Candles on Facebook for a chance to win a jewelry candle! Customers can always avail of our exciting promos."

Jewelry reveals on Instagram have tripled in amount, posted by Jackpot Candles' satisfied clients. This number is expected to rise soon, with more scents and fragrances to be launched by Jackpot Candles in the future. To take a look at what some of their customers have found search the hashtag #JackpotCandles on Instagram.
