One reviewer shares their customer service experience by saying, ?Carlos Pérez & Team fast-tracked my office relocation in less than FIVE days. Furniture, assembly, and 6 AM delivery into Manhattan, and everything went smoothly! Cleaned up and the completed project was on time and under budget. This is unbelievable! This is my second time using this company and I highly recommend them!?

Another customer comments on the quality and long-term durability of PTI Office Furniture?s products by saying, ?I bought furniture from this company 20 years ago. The furniture has stood the test of time. I purchased an oak desk and credenza. They are like ?brand new?, still to this day. This is why I am going back after all these years to purchase office chairs. The service was great then and left a lasting impression on me and I am hoping to have the same experience again.?
