The West Orange based Gastro Center NJ is pleased to celebrate the local community's support by reinforcing their principles and striving towards improving their services.

The New Jersey clinic has recently seen a substantial increase in the support shown by the community. Gastro Center NJ has been recognized as one of the best clinics in the New Jersey area, and they are well known for their staff of knowledgeable specialists.

Residents from all around the West Orange community have complimented the treatment given by the award-winning specialist Dr. Theodore A. DaCosta. He is a gastroenterologist and specialist in internal medicine with almost three decades of experience in the medical field. Dr. Dacosta is one of the leading specialists at Gastro Center NJ, specializing in the diagnosis and treatment of conditions involving the digestive/gastrointestinal tract. He treats patients experiencing any number of stomach issues, some of which might be severe diarrhea, irritable bowel syndrome, hemorrhoids, ulcers, Crohn's disease, ulcers and more, providing one of the best services in the area.

In a review featured on Gastro Center NJ's website describing their experience with Dr. Dacosta and the staff at Gastro Center NJ, a patient and resident of the West Orange community said, "With Dr. DaCosta, I got the best of both worlds: compassion and experience. DaCosta is absolutely excellent when it comes to treating patients the right way, and he and his team gave my mom the best care possible. I?ve worked with Dr. DaCosta for over two decades and I?ve never met a better doctor."

The acclaimed physician spoke about the support that the clinic enjoys from the community, as well as the motivation behind his distinguished services, asserting that, "I am thankful for all of the support that has been shown to us, as every happy patient and every piece of feedback only motivates me to do a better job, and makes me extremely happy knowing that I have helped improve someone's quality of life. I am committed to helping this community, as I will always do everything within my power to release my patient's discomfort."

Dr. DaCosta has won a vast number of awards throughout his career, some dating as far back as 2002. The most recent awards earned by the renowned Gastro Center NJ doctor are: "Compassionate Doctor Recognition" in 2018; "Patients? Choice Award" in 2018; and "Healthcare Heroes Award-UHIP" in 2018; of a total of 8. Interested parties can learn more about their Dr. Theodore A. While Dr. Dacosta has played a great role in Gastro Center NJ's success and recognition as one of the best clinics in the area, the company complements the physician's commitment with dedication as well. Gastro Center NJ has put together a comprehensive website where patients can find all of the services offered by the clinic, as well as a clear, and comprehensive description of the procedures that they perform. The New Jersey clinic offers a diverse set of useful resources for their patients, including recommended brands in association with Gastro Center NJ, as well as a list of insurance providers that cover the clinic's services.

A patient under the New Jersey clinic's care said in an online review, "I had an awesome experience from start to finish with Gastro Center NJ. Everything went smoothly and professionally from when I first scheduled my appointment, which was incredibly easy to do. My physician gave me my procedure and made sure I understood my test results, explaining thoroughly to me what each value meant. Everyone on Dr. DaCosta?s team was nice and accommodating, and my recommendation couldn?t be any higher."
