

Sunshine in a Cup Lavender Latte Shines at Pax & Beneficia Coffee - Plano

September 03, 2024

September 03, 2024 -
Pax & Beneficia Coffee - Plano is excited to introduce their latest signature coffee drink, the Sunshine in a Cup Lavender Latte. This new drink blends espresso, steamed milk, and house-made lavender syrup, aiming to offer a refreshing and unique flavor. The launch reflects Pax & Beneficia Coffee's dedication to providing inventive and high-quality coffee experiences. For more details on this exciting new addition, visit their website at Pax & Beneficia Coffee.

Pax & Beneficia Coffee, a well-loved coffee shop in Plano, has a loyal customer base thanks to its diverse menu. They offer everything from traditional espresso drinks, macchiatos, cortados, and cappuccinos, to unique blends like the Trinity Latte and the Zahr Latte. For those who don't drink coffee, they serve ceremonial grade matcha with milk. Every drink can be personalized with their handcrafted syrups, adding a special touch to each order.

"We are always inspired by our customers' love for unique coffee experiences. The introduction of the

Sunshine in a Cup Lavender Latte is our way of expanding our menu while maintaining the high standards our patrons have come to expect," said Corey Stephens, a representative from Pax & Beneficia Coffee.

In addition to their coffee and drinks, Pax & Beneficia Coffee maintains a blog. This blog covers a variety of topics, providing insights into their coffee-making process, tips for brewing coffee at home, and information about the Plano area. It's a great resource for anyone interested in learning more about coffee culture.

Pax & Beneficia Coffee has locations in Las Colinas, Downtown Fort Worth, Grapevine, and Victory Park, besides their Plano location. This expansion shows the growing popularity and reach of their coffee offerings. Customers can also place orders online, making it convenient to pick up their purchases at their preferred location.

A recent Google Maps review by Gretchen Burnworth gave the Pax & Beneficia Coffee - Plano coffee shop a five-star rating. She praised the friendly staff, excellent coffee, and welcoming atmosphere. Gretchen also recommended the Sunshine in a Cup Lavender Latte, calling it one of her favorites. This review highlights the dedication and quality of service at Pax & Beneficia Coffee. For more information about the Pax & Beneficia Coffee - Plano coffee shop, visit their Google Maps listing.

With these positive reviews and a growing customer base, Pax & Beneficia Coffee also offers gift cards. These make great gifts for coffee lovers or a handy way for regular customers to streamline their payments. Additionally, they sell premium coffee beans by the bag or through a subscription plan, allowing customers to enjoy their favorite coffee at home.

Pax & Beneficia Coffee - Plano offers a welcoming atmosphere with free Wi-Fi, ample seating, and power outlets. It's an ideal place for meetings or catching up with friends. The coffee shop ensures every visit is comfortable and enjoyable.

Stephens added, "Our goal is to create a space where customers can not only enjoy exceptional coffee but also connect and unwind. The feedback we've received, especially from reviews like Gretchen's, motivates us to keep enhancing our customers' experience."

By adding new items to their menu and maintaining a cozy atmosphere, Pax & Beneficia Coffee continues to establish itself as a go-to spot for coffee lovers. Whether visiting in person or ordering online, customers can expect quality and innovation in every cup.
