5 Stars Movers To Open Second Moving & Storage Location In New York

June 26, 2019

June 26, 2019 -
5 Stars Movers, the nation's top moving and storage service provider, announced today it will be expanding in New York with its second location in the downtown NYC area, marking the brand's 10th location in the state. 5 Stars Movers has continued to establish New York as a prime location for expansion, with this new location coming on the heels of Moving Company openings in Midtown Manhattan, Harlem and Soho earlier this year. Located at 347 E 104th St., the NYC Movers will celebrate its grand opening on October 3rd, with four days of giveaways including free chicken salad for a year to the first 100 guests.

During grand opening week, guests will experience the professionalism that 5 Stars Movers is known for, with giveaways and specials.

"The success of my existing locations in NYC and Bronx have fueled my desire to grow with 5 Stars Movers, and I'm proud to be a part of the company's ongoing expansion efforts in New York," said Mike Merlino. "I look forward to officially opening my fourth Moving Company in my home state and am excited to introduce the New York community to a brand I truly believe in."

The 5 Stars Movers concept, born in NYC, was established in 2008 by Mike Merlino. When Mike discovered that the local moving and office moving was hard for most of the people living in NYC, he overcame that obstacle by launching his first Moving Company with the purpose of serving the area in a very affordable cost. He opened a small Moving Company, which quickly grew and now offers a storage service.

5 Stars Movers in New York will be open Monday ? Saturday from 8a.m. ? 8 p.m. For more information, visit their website or call 347-758-6794.
