Forsight Offers 30% Off Frames and 20% Off Lenses for Limited Time

June 09, 2025

LONG GROVE, IL

NORTHFIELD, IL - June 09, 2025 -
CHICAGO, IL ? Forsight Vision Care has launched its seasonal Friends and Family Sale, offering patients at both of its locations a rare opportunity to save on prescription eyewear and specialty lenses. Running through the end of June, this limited-time promotion includes 30% off frames and 20% off lenses?well-timed for anyone preparing for a summer of sun, travel, and outdoor activity. The sale includes a wide selection of high-quality frames and lens options, including premium specialty lenses such as Shamir®, Avulux®, and performance-based designs for sports and scleral lens wearers.

?We take pride in delivering tailored vision solutions that support every aspect of our patients? lives,? said Dr. Todd Cohan, O.D. ?Whether someone needs glasses for computer work, driving, sports like pickleball, or artistic endeavors, our lens options?including industry-leading Shamir® designs?offer crisp, precise vision that fits their unique demands. We?re also proud to be exclusive providers of Avulux® lenses for migraine relief and a key account for Maui Jim®, whose polarized sunglasses are ideal for any outdoor activity. Our goal is to help every patient experience clarity, comfort, and protection wherever life takes them.?

This promotion is more than a discount; it?s an invitation for patients to experience personalized vision solutions ahead of summer. From prescription sunglasses that offer world-class UV protection to sports lenses that keep up with the pace of your game, Forsight?s collection is for life on the move. As part of the sale, Maui Jim® frames have their own unique promotion, with discounts up to $75 on complete eyewear packages and $50 on frames alone.

In addition to savings, Forsight Vision Care is emphasizing the importance of lens functionality and health benefits. Their selection of premium lens technologies includes Shamir® lenses, which offer unmatched clarity and precision for everything from computer work to long-distance driving, and Avulux® lenses, which are engineered specifically for migraine and light sensitivity relief. For patients with more advanced visual demands, their team also provides specialty options such as scleral lenses, which offer comfort and hydration for dry eyes, and sport lenses designed for activities like cycling, pickleball, and golf.

For those preparing for an active summer or looking to invest in lasting eye comfort, this is an ideal time to schedule a visit. Customized eyewear solutions are not just about looking good?they fit each person?s lifestyle, visual demands, and eye health needs. From patients who require vision correction for long hours at the office to athletes who need high-impact performance frames, Forsight Vision Care provides one-on-one guidance and access to some of the most advanced lens technologies on the market today.

Both locations are offering these spring deals, and patients are encouraged to book their appointments before the sale ends in June. Appointments are open now, and staff are ready to help each patient ?spring into summer? with functional, stylish, and protective eyewear.

Forsight Vision Care is currently accepting appointments for new and existing patients. To schedule an appointment, visit https://www.forsightvisioncare.com or call their offices directly.

About Forsight Vision Care

Forsight Vision Care provides personalized, full-scope optometry services at both of their locations in the greater Chicago area. Known for their high-quality care and specialty lenses, their team offers solutions for every vision need?from everyday prescription eyewear to advanced services like migraine-reducing Avulux® lenses, sports and scleral lens fittings, and dry eye management. Their curated frame selection includes the latest designer styles, and their doctors and optical staff are committed to delivering a custom experience that puts patients? comfort, clarity, and lifestyle first.
