TALLAHASSEE, Fla. ? Mr. Rooter Plumbing of Tallahassee is offering clients services for leaky pipe repair and preventative measures. The Tallahassee plumbers' services include pipe repair, plumbing video camera inspections and provide preventative maintenance service and products.

Mr. Rooter Plumbing offers their leaking pipe repair services. They say, ?A leaking pipe can go unnoticed for weeks, if not months. But sometimes a plumbing leak is just an annoyance around the house. Regardless of whether your leaking plumbing is on your mind, it is crucial that you get leaks taken care of as quickly and efficiently as possible.? Signs of a possible leak include a dripping faucet, puddles around faucets, higher water bills, faucet noises or a moldy smell. There are some additional signs, but these are the most common according to Mr. Rooter.

If a client suspects there is a plumbing problem, Mr. Rooter offers plumbing video camera inspections. Rather than cause more damage to inspect a possible problem, the company offers a noninvasive way of inspection. This helps the Tallahassee plumbing company find current problems and prevent future problems.

Mr. Rooter Plumbing also offers preventative maintenance and service products to clients. Plumbers will check clients? plumbing?even if clients do not suspect a problem is present. Mr. Rooter plumbers will inspect the plumbing and provide maintenance or products per the client?s request.

Mr. Rooter Plumbing takes pride in their consistent flat-rate prices. No matter what time of the day it is, prices will stay the same. Clients will only pay what they agree upon with Mr. Rooter plumbers. Clients can discuss with plumbers the pricing, learn about the services, make informed decisions and agree on a price prior to committing to a service.
