

Scottsdale Tow Truck Company Launches New Website

February 06, 2017

February 06, 2017 - PRESSADVANTAGE -

Scottsdale Tow Truck offers skilled and certified drivers around the clock for towing services. The business is noted for its fast, honest and affordable service.

Scottsdale AZ: Scottsdale Tow Truck Company and Bob Johnson are pleased to announce that their professional drivers offer 24-hour services. Towing Scottsdale drivers are skilled and certified to do their job of rescuing stranded drivers quickly and affordably. The Scottsdale company can handle any size car or truck, as well as special vehicles such as boats, motorcycles and RVs. They specialize in winch-out service, as well.

Customer reviews have shown the respect which is afforded the service. STTC is the highest recommended towing service in Scottsdale. The team offers services to motorists who have run out of gas or who have a flat tire. Jump starting a battery and helping motorists who have been locked out of a vehicle are services which are handled quickly so that the driver can be back on the road quickly, with the least possible amount of disruption to the daily routine.

In addition to Scottsdale, the company offers its services in motorists in Fountain Hills, Cave Creek, Paradise Valley, Phoenix and Tempe, as well as Mesa, Chandler and Peoria. When drivers need specific services such as a flatbed tow truck or an AAA tow truck, the tow truck company can respond appropriately.

The drivers are not only experienced but are focuses on safety and efficiency. They understand the frustration and stress of being stranded and work to ease the stress level while getting the situation resolved quickly. A five-point safety check, as identified by the industry, is performed before the disabled vehicle is moved by the hauler.

According to a company representative, "We are the leading vehicle recovery service in Scottsdale. We understand how important it is to get to a car accident site quickly and to take care of what we are trained to do. Our professional drivers will show up as soon as possible, with the expertise and equipment to get the job done correctly."
