The Ihara Team of Keller Williams Honolulu operates a senior move specialist company based in Honolulu, HI. The team, with website at <http://iharateamhawaii.com>, is proud to announce that they will be hosting The Complete Solution, which will be a free seminar in Mililani on senior living options. Dan and Julie Ihara developed The Complete Solution to help people downsize, de-clutter, and transition to move. This is something that The Ihara Team has over seven years of experience in. As senior move specialists, the company has served in excess of 700 families, helping them create a living environment that is both safer and more comfortable, whether the clients want to age in place or move.

Julia Ihara, co-founder of the Ihara Team, says: "Our next event, the Free Senior Living Options Seminar, will take place on February 22, 2017 at the Mililani Rec Center #6, at 95-1010 Konaku Street from 6:30pm to 8pm. I encourage people to contact me via telephone on 808-201-1006 as soon as possible to RSVP their space. Alternatively, they can go online to <https://slomililanifeb.eventbrite.com/> to book a place and get more details about the event itself."

The Ihara Team, which operates Senior Move Managers Hawaii, runs regular educational seminars. These seminars are always free, and they are particularly popular with buyers, sellers, and investors. All seminars are also open to the public, however. Besides seminars, the team offers free market valuations, which people can request when attending seminars. Free refreshments are also provided at the event. Spaces are limited, however, and people are encouraged to contact the team as soon as possible to reserve their place.

Senior Move Managers Hawaii, as shown on their website <http://www.smmhawaii.com/>, have been able to help many people achieve safety, comfort, and dignity in their old age. Many people have commented on their excellent work: "Kudos to your most outstanding, courteous, and professional associates. I appreciated their work ethics as we worked together at decluttering my home. They were sensitive to my emotional attachment when having to part with my 'things'. Above all, I felt I could trust your fine employees. Thank you. Now I have my life back."
