Denver?s Leader in Holisitic Health Partners with Shark Tank?s Kevin Harrington to Promote Integrated Medicine

August 01, 2019

Denver, Colorado - August 01, 2019 -
Downtown's Healthcare, a leader in physical and regenerative medicine has announced that their firm is partnering with Kevin Harrington. Harrington is an American entrepreneur and an original panelist on the ABC series, Shark Tank. Harrington's other claims to fame include the creation of the modern "infomercial" and founding the As Seen On TV empire.

Kevin Harrington's ventures have also included natural, holistic, and regenerative medicine. Most recently, Harrington launched a CBD Wellness and Lifestyle pop-up event in New York. Harrington and Downtown's Healthcare's Dr. Gary Rademacher, CCST met at an Advanced Medical Integration convention. It was at this convention that the two learned they shared values regarding holistic and whole-body care. They are now partnering together to help provide Coloradans with the best in rehabilitation.

Downtown's Healthcare is a fully integrated medical clinic. Their medical treatments include chiropractic,

rehab, massage, and regenerative medicine. Downtown's Healthcare stated mission is to help patients refrain from the use of pain medications, avoid risky or unnecessary surgeries, and maintain quality of life.

Downtown's Healthcare has been serving residents of Denver and the metro area for 22 years. Dr. Gary Rademacher is a licensed Denver chiropractor and has been practicing since 1995. Dr. Rademacher is a member of the Academy of Chiropractic and the American Academy of Medical Legal Professionals.
