

Leading Pensacola Sunrooms Provider Announces Collaboration with Local Solar Installation Company

August 02, 2019

August 02, 2019 -

Pensacola, Fla. - Independently owned and operated, Titan Sunrooms has become the leading source for Pensacola sunrooms and is always looking to expand their services to better serve their clientele. The local business is proud to be announcing a collaboration with SunFarm Energy, a local solar installation company.

The company's ongoing plan is to develop carport and patio packages that will include solar panels by SunFarm. Unfortunately, due to the layout of some house roofs, the effectiveness of an array will be limited due to its orientation to the sun. Titan Roof Panels on carports or those used in patio packages can allow more surface area from which to place solar panel arrays.?Patios and carports can be constructed to maximize the benefit of innovative solar panels.

Gerry L, a loyal customer of Titan Sunroom, stated, "From the start when we contacted Titan via email, Ryan was very responsive and showed up on time for our scheduled appointment. He listened and provided appropriate recommendations based on our wishes. Delivery was timely and installation was professional. The installers even cleaned up! The Owner Fred Genkin was in contact through the installation process to ensure our complete satisfaction. We love our new sunroom and feel that we have expanded the living space

in our home."

Titan Sunrooms has become a source for Pensacola screen rooms and has been accredited with providing the utmost in customer service and state of the art innovation by their clientele. As an example of their dedication to always evolving to meet the needs of customers, Titan Sunrooms recently completed multiple patio projects that will be incorporating new solar arrays. These arrays will allow SunFarm customers to achieve net-zero electric bills.

Titan Sunrooms has become the premier provider of sunrooms, screen rooms, patio covers, and other outdoor living structures for homeowners in Gulf Breeze, Navarre, and the entire Florida Panhandle region as they offer innovative products, professional installation services, and reasonable prices. Titan Sunrooms has over 20 years of experience and is accredited by the Better Business Bureau with an A+ rating and is ranked among the Top 500 Remodelers in the United States.
