RX Fitness Equipment, in Thousand Oaks, CA, has announced that they are now offering TuffStuff Fitness equipment in their store. RX Fitness has recently become a factory authorized dealer for TuffStuff strength equipment. Additionally, the RX Fitness Equipment blog has been updated with posts containing advice and additional information on TuffStuff products as well as other fitness equipment the store carries. These blog posts are also where you'll find special offers and discounts on fitness equipment of all kinds, including the regular Deal of the Week.

Tim Adams, from RX Fitness Equipment says, "We are very proud to become an authorized TuffStuff Fitness dealer. These products are really top quality when it comes to strength training and we just know our customers are going to love them. We encourage everyone to check out our blog, not just for the special offers but also for our weekly posts designed to help folks learn how to best approach their own personal fitness program, whatever it may be. There will also be more Deals of the Week coming for TuffStuff Fitness equipment."

RX Fitness Equipment is a fitness equipment center in Thousand Oaks, CA selling home and commercial

gym equipment. They are dealers for a variety of the top brands and are especially eager to help people achieve their fitness goals. With a large equipment showroom, people can try out the equipment before purchase to find out exactly what they like to use and what fits their needs. Customers appreciate their commitment to health and fitness and trust the company to help them find the right fit for their goals. "I've been in many fitness equipment stores and RX Fitness is by far the best one," says Steve C. on the company's Facebook page. "From its massive inventory to its friendly and helpful staff, I found my experience to be one of the best I've ever had. So if you need anything from a resistance band to a full piece of commercial gym equipment, I highly recommend RX Fitness Equipment in Thousand Oaks."

The RX Fitness blog, meanwhile, is regularly updated with news and events about the company, as well as special offers and discounts. Most importantly, they are now adding information about the new line of TuffStuff products, showing the different machines on offer and how to use them to their advantage. They encourage people to regularly visit the blog for updates, and to leave their comments regarding their own experiences about RX Fitness.
