Termite and Pest Control Fort Lauderdale Hires New Tech

October 01, 2019

October 01, 2019 -
Nearby bug control service, Termite and Pest Control Fort Lauderdale, is expanding their workforce with a brand new hire, Peter Howard. The firm stated that Peter is the first of numerous employees that will be added, in order to offer unique termite management services and that they are excited to welcome him to the workforce.

Employing Peter Howard will enable Termite and Pest Control Fort Lauderdale to provide their unique solutions in additional areas near Fort Lauderdale, FL and allow the business to offer its clients an increased range of pest treatment services. Peter Howard's specialty is termite management and termite inspection, with superior experience with termite inspections.

?We are extremely pleased to welcome Peter Howard to the group,? said the General Manager of Termite and Pest Control Fort Lauderdale. ?Peter is committed to providing superior service to our clients in the Fort Lauderdale area and expanding our ability to provide pest control services with the most up to date tools and technology.?

The organization explained that they urged Howard to join the team as a result of his unique knowledge of pest extermination, that will enable Termite and Pest Control Fort Lauderdale to offer a larger variety of bug control services in Fort Lauderdale.

"So far the training has been amazing, I adore the team I'm working with. Termite and Pest Control Fort Lauderdale really cares about their employees which flows right down to the customers," explained Peter Howard, "We're using the most current technology available to deal with pest infestations."
