Soundview Family Dental in Edmonds Receives 5-Star Review For Dental Emergency Procedure

September 27, 2019

September 27, 2019 -

Edmonds, Washington - September 27, 2019 - Soundview Family Dental is excited to announce a new 5-star review they have received on August 22, from Trudy in Edmonds, WA. Soundview Family Dental is known for its quality of care and complete dental solutions, including implant and cosmetic dentistry.

While Soundview Family Dental has had numerous positive reviews from past and current patients, the new review highlights precisely what makes their dental office the top choice in the area. Trudy in Edmonds had this to say on her review of Soundview Family Dental, "The quality of the care and results are exceptional. But the genuine efforts by each person on the team to ensure I?m comfortable and relaxed makes each visit actually pleasant, even for extended work. Dimming the lights and the fuzzy heavy blanket make even long appointments not a big deal at all. I trust this team."

Pain-free dentistry is something, Dr. Kitts, Dr. Hewett, and the team at Soundview Family Dental believe in. Comfort first dentistry is what sets their Edmonds dental office apart from others in the area. Their team understands that not everyone is a fan of visiting the dentist, and they make every effort to make patients comfortable and at ease throughout the procedure.

In cases such as Trudy, where a dental emergency has occurred, patients can?t wait to see their dentist. Soundview Family Dental has dedicated slots in their schedule to accommodate those patients that need to be seen quickly. These can be situations including a tooth had been knocked out, severe tooth pain, or a crown needing to be replaced.

When a patient has an emergency dental situation, they can call the Edmonds office and reach a professional at any time of the day. A dentist will be in touch to answer their questions and determine whether the situation requires immediate attention, or it can wait until the office is open.

About Soundview Family Dental

Soundview Family Dental has been helping patients in the Edmonds, WA area for years. Offering a wide range of dental solutions including general, cosmetic, restorative, and dental emergency services, they have earned the reputation as a top dental office in the area. Lead by Drs Kitts and Hewett, the Soundview Family Dental group's primary focus is their patients. Every aspect of their practice is dedicated to delivering the best patient care, incorporating the latest techniques and procedures in the industry.
