Based on customer feedback, Grace Foods USA's dry coconut milk powder has proven to be a great addition to emergency survival kits. In times of calamities and other natural disasters, an emergency survival kit comes in handy.

Grace Foods' Dry Coconut Milk Powder is an instant milk substitute when milk is not available. This coconut milk powder has a long shelf life making it more viable to store for a long periods of time. Aside from its long shelf life, due to its small and light packaging it is easy to store and convenient to use. To turn the powder into a milk substitute one simply adds water.

"My family has always believed in being prepared for anything, so we have a "kit" of stuff just in case and we've recently added this dry coconut milk powder to the kit as a milk substitute. Great shelf life and it tastes great as well," said Monika, a satisfied customer.

"We have always looked into what our consumers need. Our dry coconut milk powder is widely used not only by people who love to bake and cook, but also by people who love to camp, backpack and others keep it for their survival and emergency kits," says Deidre, a Grace Foods USA representative.

Grace Foods' Dry Coconut Milk Powder is available on the mega online shopping portal, Amazon.com. It is sold in three different sizes, 3 pack, 6 pack and in 12 pack. It is a perfect milk dry powder that can be used to mix into soups, curries, baked goods, smoothies and creamer. It does not need refrigeration thus it is a great addition to emergency survival kits.

Dry Coconut Milk Powder also comes with a bonus recipe ebook which is digitally emailed to consumers who have purchased it.
