Before attending their inpatient drug rehab program, I was in denial. I didn?t want treatment as many of us who struggle with addiction-don?t. But they will help you with your addiction and ways to diagnose the root cause of addiction and your triggers. The staff and the counselors where I was attending in Delray Beach, changed my whole outlook on

life. I would like to say a big ?thank you? to the Legacy Healing Center staff. My family was sad to see me leave them, from Connecticut, but the trip to South Florida was worth it in order to get sober.?
