Jessica Cohen Orthodontics Hosts Ribbon Cutting Event

November 12, 2019

November 12, 2019 -
Highland Park, Illinois based Jessica Cohen Orthodontics is pleased to announce that they are hosting the Official Ribbon Cutting of their new Highland Park office on the 19th of November, 2019. The event, which will be held at 1775 St Johns Ave Highland Park, IL 60035 from 4-5 pm, does not have an entry cost, and Jessica Cohen Orthodontics welcomes everyone to stop by. More information about the event can be found at the clinic?s website: https://jessicacohenorthodontics.com/.

Dr. Jessica Cohen says, ?We are so very excited to open our new office and we are very much looking forward to seeing the local community there. Our new office has been designed from the ground up so that we can provide a better environment and better treatment for our patients. The new office will feature all new state of the art diagnostic equipment. We will also have more than enough space and amenities to accommodate all new and current patients!?

She continues, ?Representatives from the city of Highland Park, the HP Chamber of Commerce, local business leaders, and your business neighbors and peers will all be in attendance. We are hoping that more people can stop by and introduce themselves at our new premises!?

Equipped with the latest technology, Dr. Cohen?s practice specializes in the diagnosis, prevention and treatment of dental and facial irregularities to improve oral health, self confidence and whole-body health. They offer a number of treatment options, including but not limited to retainers, clear braces, metal braces, super 7 checkups and non-surgical bite corrections. However, Dr. Cohen also specializes in providing Invisalign services.

Prior to the Ribbon Cutting event, Jessica Cohen Orthodontics will host a Grand Opening Party at the new office on the 16th of November, 2019. During this party, guests can expect an exclusive tour complete with delicious food, exciting prizes, entertainment, and more. According to Dr. Cohen, the opening party/open

house will serve as an opportunity for those who are considering Dr. Cohen as their new dentist to meet her in person and learn more about her practice. During the open house event, guests will also be able to receive a complimentary digital scan of their mouth, along with with a simulated orthodontic outcome.

Dr. Cohen has already established herself as an excellent orthodontist, and her patients frequently report a heavy degree of satisfaction with her work. For instance, Jessica Cohen Orthodontics enjoys a perfect five star rating on the Google review platform. In her review, Danielle Sandler says, ?Dr. Jessica Cohen did my Invisalign and I couldn?t have imagined using someone else. My teeth look perfect! She is caring, considerate, meticulous and one of the smartest doctors I have ever seen! She did not let me leave her office until I was 100% happy. I will be sending my three kids to her for braces, and couldn?t imagine using anyone else!?

In another review, Kelsey Hilton says, ?I highly recommend Dr. Jessica Cohen for your orthodontic treatment. This orthodontist is fully committed to making you happy! She goes above and beyond during your whole orthodontic journey and gives beautiful results! Her attention to detail and customer service stand out above all others! She even offers free consultations and insurance verification, which is definitely one less stress I need to worry about. Dr. Jessica Cohen makes your experience fun, comfortable and convenient. If you are looking to get an amazingly beautiful smile that fits you, don?t waste your time going to multiple consultations with other orthodontists, and instead set up a free consultation with Dr. Jessica Cohen. Trust me, you will be happy and smiling that you did.?

Dr. Cohen says, ?With Jessica Cohen Orthodontics, it?s never too late for you to make your smile shine. We love all our patients and we absolutely adore helping them out! When you choose us as your dentist, we know you are making a serious commitment and placing your trust in us, so we are dedicated to providing a service that is worthy of this trust. We are just as committed to building long and lasting relationships as we are committed to building beautiful smiles for our patients.?
